

OFFICIAL INVITATION

OPEN KYOKUSHIN PORTUGAL 2026

Dear Shihans, Senseis, Sempais, officials, organizations, federations, associations and Kyokushin dojos,

On behalf of the Kyokushin Portugal Federation, it is with great honour and pleasure that we invite you to participate in the OPEN KYOKUSHIN PORTUGAL 2026, which will take place on 17 October 2026 in Mindelo, Vila do Conde, Portugal.

More than a competition, this Open aims to be a major gathering of the Kyokushin family, bringing together practitioners from different organizations, styles, countries and generations in an atmosphere of friendship, respect, sportsmanship and shared experiences.

After a period of transition, this historic competition returns to its origins. Vila do Conde, the birthplace of Portuguese Kyokushin, once again welcomes one of the most emblematic events of the discipline in Portugal, whose first edition was held in 2002.

The OPEN KYOKUSHIN PORTUGAL 2026 aims to establish itself as a space for unity and cooperation among all those who dedicate their lives to the development and promotion of Kyokushin. Regardless of the organization we represent, we are all heirs to the same values passed down by Sosai Masutatsu Oyama: respect, humility, perseverance, courage and the spirit of self-improvement.

It will be an honour to welcome your delegations, athletes, coaches, referees and officials, working together for the success of an event that seeks to honour Kyokushin and strengthen the bonds that unite our national and international community.

The presence of your organization will make an important contribution to the success of this initiative and to the promotion of the highest principles of our martial art.

We count on you to make the OPEN KYOKUSHIN PORTUGAL 2026 a great celebration of Kyokushin, friendship between peoples and the spirit of "Osu no Seishin".

The official rules, programme, categories, recommended accommodation and further logistical information will be announced shortly.

Please accept our warmest regards and our sincere invitation to join us for this important moment for Kyokushin in Portugal.

OSSU!

Shihan António Pereira
President of the Associação Kyokushinkai Portugal.

"OPEN KYOKUSHIN PORTUGAL 2026 is an event open to all Kyokushin organizations and schools, promoting unity, mutual respect and friendship among practitioners, above any organizational differences."
